TERM 2, WEEK 7 – 5th June 2012

Dogs in School Grounds

Parents are requested not to bring dogs onto the school grounds. This is a safety issue for students. Please note this does not include times when a pet is brought in for news by a student under parent supervision.

Playground

As you will be aware we have had an ongoing problem with a muddy section of the playground for the past twelve months. Work is set to begin on installing drainage (as soon as it dries out enough for the machinery to get onto the site). During this time the area has been fenced off. Hopefully this will mean an end to muddy school clothes! It does mean that the other soccer fields will be shared on a rotational basis by the Stages affected.

Healthy Dads Healthy Kids

This great program is starting up again in Cessnock soon. I would encourage any dad who is available after school to become involved in the program with their children of Primary school age.

School Banking

School Banking has had a successful start at our school. It is one way in which children can develop goals and saving habits. If your child is not involved at this stage and they would like to get started please contact the school office. Wednesday each week is banking day.

Attendance

Attendance at school every day is important for every student in every grade. Please ensure that students are on time also. For most grades Maths starts at 9.15 sharp.

Student Reports

Student half yearly reports and parent teacher interviews are coming up. Please look out for appointment times to meet with your child's class teacher. Interviews will be held in the week commencing Monday 18th June

Preservice Teachers

Abermain has three preservice teachers working at the school. They are **Jessica Horne** on 2/3H, **Amanda Kirkman** on 5/6J and **Linda Mackenzie** on KP.

P&C

The next P&C meeting will be held in the school library

on Monday 18th June at 6pm.

Please come along.
