PRINCIPAL'S NEWS

Welcome back to another exciting term at Abermain Public School.

Thank you to all the students, staff and parents/carers who attended the ANZAC marches during the holiday. It was great to see so many students marching with their family medals in memory and honour of their extended family.

This term is busy with Cross Country, Athletics Carnival, Musical Rehearsal, Mother's Day, Children's University activities, NAPLAN, Public Speaking, High School Transition to name a few. We will endeavour to get information out as soon as we can however it is important for parents/carers to be looking for information sent home with the children. Copies of notes are available on our Website and App. The better our communication the better we can operate in a positive way to help each other. Please keep an eye out for notes.

The new PBL contracts were sent home with the students this week. Please read through these with the children, sign them and return to the class teacher as soon as possible so the children can get started on the journey towards their Paws Badge.

After much consideration the oval gate will be closed from next week as an entry and exit point to the school. The dew from the grass of a morning is causing problems with wet shoes and we still have limited people using this gate. We apologise if this causes you and your family any inconvenience.
